2008 VOLLEYBALL MEDIA GUIDE

The Coaching Staff

Sandy Hoffman, the winningest active New England Division II women's volleyball coach, is in her 27th year as Bentley's head coach. She reached the 500-win milestone during the 2001 season, becoming only the second New England coach to reach the plateau, and notched career win number 600 Oct. 22, 2005 against Saint Rose. She's one of only six active Division II coaches who has achieved that milestone.

Her 662 wins ranks fifth amongst active Division II coaches and her career winning percentage of .700 (638-273) is 15th best amongst coaches with at least 10 years experience.

Under Hoffman's tutelage, the Bentley program has consistently ranked amongst the Northeast-10 elite. She received NE-10 Coach of the Year honors five straight years from 1985-89, in 2001 and again in 2005. Her team has won the regular season conference title outright nine times (1986-90, 1996, 2001-02 and 2005) and was co-champs in 1992 and 1995. In addition, under her guidance, Bentley has captured the Northeast-10 playoff championship nine times and been in the NCAA Division II tournament nine times (1993, 1995, 1998, 2001, 2002 and the last four seasons). In November 2005, Bentley reached the Sweet 16 for the first time in the program's history.

Only twice has a Hoffman-coached team failed to finish in the top three of the Northeast-10, and there have been 24 winning records in the last 25 seasons.

Hoffman has been a Bentley assistant athletics director since 1990 and her responsibilities have involved her in virtually every aspect of the athletic department's operations.

Initially, she was responsible for physical education, recreation, compliance and student services, including the academic tutoring of athletes. More recently, her duties also included facility and intercollegiate scheduling, and monitoring financial aid.

After a realignment of the athletic department in 2000, Hoffman is now responsible for the fiscal affairs of the Bentley athletic program, as well as financial aid.

Prior to being named an assistant athletic director 18 years ago, she served as Recreation Director and the athletic department's Coordinator of Academic Support Services.

Hoffman is a former member of the NCAA Division II Volleyball Committee.

A native of Manhasset, N.Y., who now resides in Waltham, Hoffman played four years of varsity volleyball at Springfield before graduating in 1980. She received her MBA from Bentley in 1990.

Karrin Moore, a 2006 graduate of Northeastern University, is in her second year as Hoffman's assistant coach.

A four-year letterwinner at NU (2001-04), Moore came to Bentley after a year as an assistant at Wheaton College. Prior to her stint with the Lyons, she was an assistant for the Northeastern men's club team, which finished second in the nation in 2005.

During her four seasons as a player at NU, she helped the Huskies to an 84-48 record, including 42-12 in conference play. In her freshman year, she was part of a Northeastern team that won the America East tournament and earned an NCAA Division I tournament berth. She appeared in nearly 80 matches during her career, and recorded 391 kills during her final two seasons.

Moore, who hails from Ahwatukee, Ariz., played for the East Valley Juniors in her home state and is still active as a player on a USAV women's AA level club team locally.

Moore graduated from Northeastern with a Bachelor of Arts degree in journalism.

NE-10 Preseason Favorites Look to Extend NCAA Streak to Five

With the program riding a string of seven straight 20-win seasons and four consecutive NCAA Division II tournament appearances, it's been a very good start to the decade for the Bentley women's volleyball team. Included have been an 91-7 record in regular season Northeast-10 action the last seven years and at least one win in the NCAA Division II Northeast Regional each of the last three seasons.

Coach Sandy Hoffman, who has headed the Bentley program since 1982, is optimistic her team will continue that level of success this fall. She returns 12 players from last year's club, including three All-Northeast-10 selections, but will have to replace a pair of four-year starters in the middle, 2007 Northeast-10 Player of the Year Christina Sadowski and 2007-08 NCAA Division II SAAC national vice chair Carey Demos.

Topping the list of returnees are senior setter **Tori Piskulick** and junior outside hitter **Alex Kearney**, both of whom were first-team All-Northeast-10 selections last fall and are former AVCA Division II All-Northeast Region selections. Piskulick made the All-Region team each of the last two seasons, and Kearney earned honorable mention accolades a year ago after being a first-teamer as a freshman in 2006.

Piskulick has been one of the premier setters in the NE-10 throughout her career and enters her final season on the verge of becoming the first player in school history to amass both 4,000 assists and 1,000 digs, needing only 63 assists and seven digs. She already owns the two most productive seasons in Bentley history for assists

*All-Region setter **Tori Piskulick** begins the season 500 assists shy of the Bentley career record*

per game (11.69 in 2006, 11.60 last year), and enters 2008 exactly 500 assists shy of the school record.

Kearney led the '07 Falcons in kills, averaging 3.41 a game, and also made just over three digs a game. Only three players in 27 years of Bentley volleyball have topped the 1,000 mark in both kills and digs, and she is on pace to become the fourth, perhaps as soon as this season.

Other returning starters for Bentley include junior libero **Cassie Kraft**, senior outside hitter **Susan Harrahy** and junior middle **Kristine Mickelson**. Kraft averaged close to five digs a game last fall, a performance that earned her second-team All-Northeast-10 honors. Harrahy was hampered by injuries in 2007, but was effective when able to play, producing about 3.9 kills a game. The six-foot-one Mickelson, Bentley's tallest player, will be asked to help fill the void created by the graduation of Sadowski and Demos after contributing 2.1 kills and 0.73 blocks a game last season.

Hoffman is expecting all six of the sophomores on her roster to step up this season and play more significant roles. Of the group, **Maitlyn Kraft**, Cassie's sister and a defensive specialist, saw the most action in 2007, appearing in all but one of the team's 117 games.

The other sophomores are middles **Alaura Berry** and **Andrea Farah**, outside hitter **Morgan O'Laughlin**, setter **Kelly Mee** and defensive specialist **Jayne Seward**. Farah averaged 2.1 kills, Berry hit .339 in spot-action, and O'Laughlin put down 1.56 kills a game. Mee is expected to see increased time at setter, and Seward will help out on the back row.

Rounding out the roster are three outside hitters, junior **Kim Angelovich** and freshman **Virginia Wong** and **Kelly Galligan**. Wong, a *Boston Globe* All-Scholastic, projects to see the most time amongst the three.

Bentley was deemed the preseason favorite in the Northeast-10, earning 12 of 15 first-place votes and a total of 221 points in a preseason poll of conference coaches. New Haven, a perennial regional force and a newcomer to the NE-10 this year, was picked second, and Merrimack, Franklin Pierce and Pace rounded out the top five. Bryant won't be around to defend its title, with the Bulldogs having departed for the ranks of D-1.

Hoffman, as usual, has assembled a difficult non-conference slate for her club, including a three-matches trip to Texas in October and three contests against 2007 Elite Eight teams (two vs. Dowling, one against Washburn).

Alex Kearney is a two-time All-NE-10 selection who has averaged 3.7 kills during her career

Currently in its third decade, the Northeast-10 Conference has established itself as one of the premier all-around NCAA Division II conferences in the nation. The NE-10 is now the second largest Division II conference in the country and is comprised of 15 institutions, six from the Commonwealth of Massachusetts, three each from New York and New Hampshire, two from Connecticut and one from Vermont. Founded in 1980 as the Northeast-7, the charter members were American International College, Assumption College, Bentley College, Bryant College, the University of Hartford, Springfield College and Stonehill College.

A conference tournament has been conducted in volleyball annually since 1981, and a regular season champion has been crowned since 1986. Bentley has captured at least a share of the regular season title 11 times, winning it outright in 1986, 1987, 1988, 1989, 1990, 1996, 2001, 2002 and 2005, and sharing it in 1992 and 1995. The Falcons have also taken the tournament title nine times (1985, 1986, 1988, 1989, 1991, 1995, 2001, 2002 and 2006).

Julie Ruppert was named the conference's commissioner on May 1 and began her tenure a month later. Ruppert joined the Northeast-10 after 15 years with the America East Conference, most recently as the conference's Senior Associate Commissioner.

The Northeast-10 also crowns champions in baseball, men's and women's basketball, men's and women's cross country, field hockey, golf, ice hockey, men's and women's indoor track, men's and women's lacrosse, men's and women's outdoor track, men's and women's soccer, softball, men's and women's swimming, men's and women's tennis, and women's volleyball.
